Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Tuckahoe Square and Main Street Signal Improvement project in fiscal year 2024. The entity to receive funding for this project is the Village of Tuckahoe, located at 65 Main Street, Tuckahoe NY 10707. The funding would be used to install a new traffic signal at a complicated intersection and to make various upgrades to the nearby business district. The project is an appropriate use of taxpayer funds because it will significantly improve safety, traffic efficiency, and air quality and create better conditions for economic growth, ultimately saving taxpayer money. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jamaal Bowman, Ed.D.

Member of Congress
